**TO ALL IBEW FIRST DISTRICT LOCAL UNIONS**

Greetings:

Thank you to all who have attended our webinars and have provided feedback. After a brief break, we're excited to return to Webinar Wednesdays in 2021 with our next webinar titled, "Introduction to the Code of Excellence". The IBEW Code of Excellence (COE) ensures the highest standards of excellence for all our industries. The program is designed to instill a sense of pride and professionalism in our members so that the IBEW is seen as the first choice for the job. Join us to learn more about the history of the Code of Excellence program, a quick overview of the training, and how the COE is implemented.

Once again, the webinar will be offered twice; one held at a convenient time slot for our members in Eastern Canada and one at a convenient time slot for our members in Western Canada. The schedule for the upcoming webinars along with the links to register is as follows:
